

## Football report

Warm up was good (at least I thought so) and the team appeared to be in peak fitness. Weather conditions were a bit dismal but the rain held off. The competition looked fierce but I had every faith in the Newick team. The team's goal keeper Henry had this to say about the imminent first match "I am quite excited .We should do well as we have a strong team."

### Match 1

#### Newick vs. Wivelsfield

Wivelsfield missed their first goal opportunity .It was very fast play by both teams but the highlight of the match was a goal from striker, George Corp which made the crowds cheer. Wivelsfield followed up with an impressive goal. The match was fairly level and ended in a one all draw.

Newick was hoping for a win this time, they were all in high spirits.A goal by George the striker- fantastic play !. The score was now one nil. Later on in the game the Plumpton striker missed an excellent chance. Another goal by Thomas the midfielder straight into the net. What a move! It's all over- two nil victory to Newick.

Now an interview with Tom the midfielder." Tom, how do you feel about scoring?" "Proud" he replied victoriously" because if I hadn't scored it could have been another draw"

### Match 3

#### Newick vs. Barcombe

Newick started confidently but missed a wasted chance when a goal failed to hit the net. A Newick player fouled a Barcombe one but it wasn't serious. Barcombe had a free kick-. Still no one scores, that's it a nil-nil draw. If Newick lose this game they won't get into the semi final!
