Christmas Fayre – Saturday 6th December 2-4pm

Dear Parents, Grandparents and Carers,
 Welcome back from a rather chilly half term.
 As you may have already noticed, the festive season is approaching faster than we would like it to again this year. So at our last meeting, your NSA committee and class representatives began preparations for Christmas class parties and the School Fayre.

The Christmas Fayre is a major event in our school calendar which is enjoyed immensely by the children and considerably boosts the NSA school funds. In order to continue the huge success of this event, we would like to request donations of various items to contribute to some of our stalls. (Please see opposite) Your class representatives will also be asking for assistance running a stall, so please help as much as you can.

We look forward to meeting you on 6th December.

With a big thank you and kind festive regards,
Kerry, Julie, Mandy and Sue
