Admissions Principles

The Diocese of Chichester Academy Trust (DCAT) is the admissions authority, responsible for the admissions arrangements and decisions on applications for admission to the schools within the Trust. Each school has individual admissions arrangements for each academic year. They are written to comply with the School Admissions Code and School Admissions Appeals Code. These arrangements were last consulted upon in December 2024 and will be reviewed by December 2031.

We seek to be an inclusive Church of England Trust, welcoming children from all backgrounds and of all abilities and our admissions arrangements reflect this. A child's level of achievement or specific needs are not a barrier to admission to our schools.

We believe that ideally each child should be admitted to the school of their parents' choice. However, the school buildings cannot accommodate an unlimited number of children and excessive class sizes are detrimental to the education of the children in the class. The Published Admissions Number for this school is included in their arrangements. The school will not usually admit children into classes if their admission would cause the class size to increase above legal or practical limits, or the Published Admissions Number to be breached.

Introduction

Newick Church of England Primary School is a school in the Diocese of Chichester Academy Trust (DCAT) for children aged 4 to 11 years. As such the Trust is the Admission Authority responsible for all decisions in connection with admitting pupils and for the publication of Admission Arrangements which explain how the admissions process will be applied. The Trust delegates the responsibility for admissions to the Local Governing Body of the school.

There is a maximum of 7 classes in the school, providing a total of 210 places. Our published number (PAN) is **30**. This relates only to the normal point of entry to the school, reception. Admissions to other year groups will be based upon the prejudice to:
(a) the provision of education and
(b) the efficient use of resources.

The Local Governing Body (LGB) has agreed an admissions limit of 30 for the other year groups. An admissions limit for other year groups is identified in order to inform the decisions of the school's Local Governing Body when it receives applications for in-year admission to other year groups.

Oversubscription Criteria

Before applying the over-subscription criteria, a place will be allocated for any child with a Statement of Special Educational Needs or an Education Health and Care Plan (EHCP) that names Newick Church of England Primary School as the school the child must attend. This place will be allocated within the Published Admission Number (PAN) before the consideration of any other applications, or above the PAN if places have already been offered at that time.

If more parents express a preference for the school than the published number of

places for new admissions, the LGB will use these criteria in deciding admission:

1. Children who are looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted within the Community category (note 1)

2. Siblings (note 2) of children on the roll of Newick Church of England Primary School at the time of admission.

3. Children of parents who have been members of staff at Newick Church of England Primary School continuously [note 3] for the two years prior to the application for admission; or staff recruited to fill a vacant post for which there is a demonstrable skill shortage

4. (For applicants in the normal admission round) Children or families with an exceptional medical and / or social need (see note 4). Supporting evidence from a professional is required such as a doctor and / or consultant for medical needs or a social worker, health visitor, housing officer, the police or probation officer for social needs. The evidence must confirm the child or family's medical or social need and why that makes it essential that the child attends the academy rather than any other. If evidence is not submitted by the application deadline, the medical and / or social need cannot be considered.

5. Children living within the community area that has been designated to the school / academy.

6. Any other children

Definitions:

Note 1: A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

Note 2: A "sibling" refers to brother or sister, half brother or sister, adopted or fostered brother or sister, stepbrother or sister, or the child of a parent/carer's partner where the child forwhom the school place is sought is living in the same family unit at the same address as that sibling.

Note 3: This includes all staff (teaching and non-teaching) appointed by the school, including part-time staff with a continuous employment record and any short-term contract staff with a continuous employment record covering at least term time employment, for the 2 years or more prior to admission.

Note 4: Applicants will only be considered under this criterion if on the application form they have ticked the appropriate box explicitly indicating that they wish for their application to be considered under medical / social need, 'Medical need' does not include mild medical conditions, such as asthma or allergies. 'Social need' does not include a parent's wish that a child attends the school because of a child's aptitude of abilities or because their friends attend the school or because or routine childminding arrangements. Priority will be given to those children whose evidence establishes that they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose evidence establishes that their family member's physical or mental health or social needs men that they have demonstrable and significant need to attend a particular school. Evidence must confirm the circumstances of the case and must set out why the child should attend a particular school. Evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child's needs.

Note 5: Families of service personnel with a confirmed posting, or crown servants returning from overseas, will be allocated a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Where the family do not yet have an intended address, or do not yet live in the area, the school will use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Parents may request that a Unit or quartering address be used as the child's home address when considering the application against their oversubscription criteria. The normal admissions round is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Note 6: The Governors require the completion of a Supplementary Form from applicants to be considered under criteria 3.

In the event of any of the above categories being over-subscribed, the Local Governing Body will take those children whose home address is nearest to the school measured by the Local Authority's computerised measuring system. In the case of flats, they will be treated as equidistance from the school. The Local Authority's computerised measuring system will be used to determine these distances.

Tiebreaker

In the event that applicants cannot be prioritised using distance as detailed above, above because the distance measurements are the same, the Trust will use random allocation to decide which children will be offered the remaining places.

Full or part time attendance

A parent may apply for his/her child to start school for the first time in the September following the fourth birthday and, where a place is offered, may choose for the child to start full time from day one, or to attend on a part time basis until statutory school age, which will occur during the term following the child's fifth birthday. If a parent

wishes their child to attend on a part-time basis, they must meet first with the Headteacher to discuss their choice.

Deferred entry

While a child is below statutory school age, the parent may choose to defer his/her child's entry to school until later in the school year. However, parents cannot defer beyond the point at which the child reaches statutory school age, or beyond the start of the last term in the school year. The school operates on the basis of a ***six-term year***.

Summer born children and deferral of entry into reception for the following year

Each application for such a delay is treated by the school on an individual basis, considering the evidence supplied - this will be from professionals who know the child and from parents/carers. If parents wish to request this, they need to apply in the chronological year (i.e. the year in which the child would normally be entering school) and at the same time submit a request to the school for delayed to reception for the following year. If the Local Governing Body agree this after reviewing the evidence for the request and, in consultation with the Headteacher and any others involved with the child, then the place cannot be held open, and the parent will need to apply again the next year in the normal way. The school will then treat and rank the application according to the criteria published in admission arrangements along with all others received. Please be aware that although the deferral may be agreed,there is no guarantee of a place being available at the school for the following year.

Multiple Births

Where possible the governors will admit all the children of a multiple birth (i.e. twins, triplets etc.).

Admission of children outside their normal age group

Parents may apply to the Local Governing Body to seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Decisions for these requests will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The views of the Headteacher will also be taken into account. When informing a parent of their decision on the year group the child should be admitted to, reasons for the decision will be clearly set out.

Late Applications

Applications received after the deadline set by the Local Education Authority will be

consideredafter places have been allocated to those applications received on time.

Accepting a place

If a place has not been taken up after 14 days from the date of the offer, the school will write and inform the parent that the offer will be withdrawn after a further 7 days if not taken. The school will then offer the place to the next on the waiting list in accordance with the admissions criteria.

False Information

1. Where the Local Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.

2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information the place may be withdrawn depending on the length of time that the child has been at the school.

3. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

Waiting list

A waiting list will be maintained until at least the end of December of the year of application for main round applications. The waiting list is updated and ranked accordingly to the oversubscription criteria when applications are withdrawn or added.

Appeals

In accordance with the Admissions Appeals Code, the school has established an appeals procedure. Applicants who haven't been offered a place at the school may appeal against the decision to an independent appeals panel. Parents wishing to exercise this right should write to the Clerk to Governors care of the school address. All appeals must be received within 20 days of the receipt of the letter refusing a place to be heard on time. **[Please note that places in infant classes are restricted to 30 under the infant class size regulations].**

Apply for a place in September 2026

To apply for a place for September 2026, the parent must complete the Application Form available from the home local authority (the authority in whose area the child resides), for those resident in the local area this is East Sussex, and applications can be made online at https://www.eastsussex.gov.uk/education-learning/schools/apply-for-a-school-place In order for the application to be considered as 'on time' the application form must be submitted to this local authority by 23:59 hours on 15 January 2026. The application form may be completed and submitted using the home local authority's 'online' procedure, or as a paper form. Full details about the application process and information about the schools in the local authority area are explained on the above website which each

local authority must make available on 12th September annually.

Parents will receive an admission decision in writing from the local authority on or about 16 April 2026, according to the procedure set out in the local authority's Composite Prospectus.

**details of paper applications are given below*

In Year Admissions

Parents need to apply directly to the school if making a request for a place during the academic year. The Local Governing Body has agreed an admissions limit of 30 in each year group; 30 in KS1 classes and 30 in Key Stage 2. The admissions criteria above will be used to decide priority for places. Parents will be encouraged to visit the school and speak with the Headteacher prior to any decision about requests for entry being taken.

Children with Special Educational Needs

Children are admitted to the school in accordance with the admission criteria. We do not discriminate for or against children with special educational needs or disabilities and would expect parents to fully inform the school of the nature of any know educational physical, medical or social needs when expressing a preference for their child to attend this school. This information will ensure that the child's entry to the school is as smooth as possible and help inform the level of provision the school can make to meet the individual needs of the child.
